### Where Have The Chickens Gone?

The chickens were losing feathers so the vet had to be called out. He found out that red mites have been discovered in the coop and were causing the problem, also one of the chickens has sinusitis, so they have all gone on holiday to 'recoop' their strength. We are going to get a new chicken coop and run

### Collective Worship

This week in Collective Worship the children have been reflecting on the Christian Value of Faithfulness. They have been asked to consider how God is there to support us and how they can be a faithful, loving friend.

## A Busy Week!

This week has been very busy! Year 4 returned from a fabulous week in Aylmerton. We have received many thank you cards and emails telling us what a great time the children had on the Norfolk Coast. Although all the children (and staff ) were exhausted they learnt a huge amount and seem to have enjoyed themselves tremendously.

On Monday morning the remains of a spaceship were found on the school playing field. Year One rushed out to investigate and we have had to keep our eyes out for strange looking aliens all week.

Year 3 had a visit from the Warburtons bakers. They made their own bread, getting a good physical work out with all the kneading they had to do before enjoying designing their own loaves. Foundation children have had a great time visiting the Ernest Cook woods at Little Dalby. They enjoyed searching for animals, building dens and producing forest art. A huge thank you to Emma Turner for arranging for all our children to work with her at the ECT woods at some point this year.
