Christian Value: Respect - Learning Behaviour: Ambition - Worship Theme: Celebrating Friendship

**Welcome Back!** I do hope you have all had an enjoyable summer. The children have certainly had lots of exciting stories to share! It has been a real pleasure to watch so many smiling faces and to see so many confident and well-mannered children come into school in the mornings. I feel very privileged to be the Headteacher at Kibworth and am very grateful for the support I have already received from our amazing parents. This year Mr Beck and Mrs Marks will continue in their roles in the school leadership team. At the start of every day we will either be in the playground, at the front gate or at the school office. As always, we welcome your comments and ideas.

The new academic year has started brightly and positively. We have welcomed new parents, staff and children, most notably in our Foundation Unit where many families have started a journey through school life that will hopefully be fruitful, invigorating and successful. As always, we start the school year with a clear focus of endeavouring to ensure our children experience the best education possible, underpinned by academic, personal and emotional development.

*Thank you!*

Thank you To Mollie and Skye in 5P for devising a new plan for the whole school to get in and out of our hall for Worship. They did an amazing job of explaining their idea and it worked brilliantly! How lovely to have children at our school with such confidence and creativity.

Thank you to Ms Edwards mum Angela. She was an amazing queen, we loved her very posh hat, gloves and handbag. In fact, she was so brilliant that a rumour persisted in several days that the real Queen had popped in to visit our school!

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

**Welton = 89**

**Morrison = 85**

**Wilfrid = 204**

**Ireland = 188**

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **1L** and **5C** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are **6S** with 100% and **1L** with 98.5%

permitting the KPA will be holding a pre-loved uniform sale on Tuesday 18th September in the KS1 playground at drop off and pick up time. Most items only 50p.

We are very excited to start our after school clubs next week. We are so lucky to have such a range of talented teachers who are able to offer a broad range of skills. Most clubs are now full but we do still have a few places left in 5/6 netball, 3/4 football, 5/6 gymnastics. If your child would like to join one of these clubs in addition to the one they have already been allocated please contact the school office.

All clubs meet in the hall at the end of the school day where the children are collected by the club leader. The clubs finish at 4:30 and the children will be released from the hall door. Please could we ask you to be prompt.

If your child is not going to attend any of the after school clubs it is essential that you inform the school office
