Year 6 - Arctic Experience Talk

As part of our Frozen Kingdoms topic, on the 29th of January, Year 6 were lucky enough to have a visit from Mr Stimpson who came in to tell us about his experience of the Arctic during his world record-breaking 2015 Wooden Spoon Arctic Rugby Challenge. He brought along some of the most vital equipment required and laid it down for us to see. During the talk, he told us about all the amazing things he was able to do while in the Arctic: some funny like, "Don't mix up the poo and snow shovels!"; and some life saving, like "Remember to pack your shotgun in case of Polar Bear attacks." Also, he told us how important it was as a team to walk in a straight line and stay in a group in case one of you fell through the ice. If this ever happened, the person behind would have to be in diving distance of their sledge and the same for everyone behind. With regards to food, it came freeze-dried and they had to stop regularly for snacks- incredibly, they had to eat 6000 -9000 calories a day! Year 6 learnt lots and many of us have been inspired to try and break our own world records – thank you Mr Stimpson.
