Christian Value: Respect - Learning Behaviour: Ambition - Worship Theme: Celebrating who Jesus is

Next week we will be holding school council and sub-committee elections. Please encourage your child to join in. Miss Cornish does a great job of ensuring that the children can voice their opinions and have their views considered in decisions which impact upon the whole school community. The school council meets weekly to discuss and sort out problems, make suggestions and raise money for charity. Members of the school council are responsible for carrying out the ideas that have been agreed, such as planning discos, writing newsletter articles, or meeting with catering staff. Application forms need to be completed by Wednesday 26th September. Sub committees meet once a month and focus on projects recommended by the School Council. This year our sub committees are: Librarians, Creative team, Eco Officers, Play Leaders, Friendship Officers, ICT technicians, Sports Ambassadors, Outdoor Learning and Learning Detectives.

If you have not already done so please could you complete our survey? You can access it directly from our school website or you can follow this link. We really do value your views and opinions. www.tiny.cc/kibparentsurvey

A Family Cinema Ticket is the prize for the free draw for all who complete the survey. We appreciate the time it takes but we really want to know your feedback. Thank you!

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

Welton = 297
Morrison = 163
Wilfrid = 210
Ireland = 254

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **1L** and **4H** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

5C & 6H with **100%**
and
1L with **99.2%**

A huge well done to Dani, Rebecca, Amelie, Ruby, Izzy, Sophia and Emie Rae for all their hard work and culinary expertise in organising a brilliant Cake Sale for KS1. They raised an amazing £138.80 for The Little Princess Trust. The Trust provides real hair wigs to children who have sadly lost their own hair due to cancer treatment and other illnesses. Huge thanks to all for your support.

Weekly Reminders

- ❖ Our playgrounds are open from 8:40 am. Please do not drop your child off earlier as they will not be supervised.
- ❖ Parking is always a real challenge for school. We encourage our parents to park considerately and not block driveways either on The Tithings or Hillcrest Avenue. Please don't park on the pavements. We have several disabled parents who need access to the school. We have great neighbours and don't want to annoy them. The best place to park is at The Old Grammar School Hall Car Park - it is a lovely walk to school through the park.
- ❖ Tiger Club is now set up. Lee, Lucy and the team have done an amazing job to get it up and running. They are always interested in your comments. Please contact Lee on 07961600811 if you would like to know anything about the club.

On Tuesday, Year 6 spent the full day at The Warning Zone in Leicester. While they were there, they learnt all about how to stay safe in real-life situations, such as: when fire breaks out, playing near railway lines, electricity safety, water safety road safety and when in unfamiliar places. The children also learnt all about e-safety and keeping safe online. All this learning took place in a fairground setting. Although it was exciting and fun, they still learnt lots of valuable lessons on what to do when they are online. They have learnt that they must be more cautious when using the internet and chatting to people online. The most shocking thing was learning that the average age of a gamer is 35! They had a great day; the school is very grateful to all the volunteers at the Warning Zone who do such an amazing job.

Monday 8th October is the first KPA film night of the new school year. Lots of fun for all. The show starts straight after school.

We are very excited to announce that we will be holding a brand new event:

Keep Up with the Kids Week

We believe that parents often have the biggest influence on getting children interested in sport and life long learning and encouraging them to participate and developing their skills.

We would like to invite you to join your child in their after school club in the week commencing Monday 29th October. Let's be active together. Please let the office know if you would like to join in the fun.

Thank you – The Sports Team
