Dear Parents/Carers,

## Kibworth CE Breakfast and After School Club

### Parent Pay/Childcare Vouchers

Dear Parents/Carers,

We have received a few queries regarding Parent Pay and Child Care Vouchers over the past week and hope the below gives some further clarification, please do contact us if you need further assistance.

#### Statements

You can check your child's balance by logging on to ParentPay – this gives an up to date balance including all payments you have made and details of all sessions to date that your child has been booked in to attend.

Please note that you are charged on the day for the session/s (morning/afternoon/or both sessions) that your child is booked to attend – if your child doesn't attend on one of their booked sessions, for example due to illness, you will still be charged. Instructions on how to view the balances are also attached with this ParentMail. **ParentPay are looking into condensing the am and pm Wraparound Care payment items into one payment item to make paying an easier process for you. We will keep you updated.**

#### Childcare Vouchers

Tiger Club is registered with many Childcare voucher providers. If you require a code/number or cannot find the Tiger Club or find that we have not registered with a certain provider, then please speak to Lucy who will be able to help.

When you pay via Childcare voucher, we will receive an email to confirm that payment has been made and then we will manually add this to your account. If your child does morning and afternoon sessions or you have more than one child attending, we will divide the voucher equally across the accounts (again the condensed payment item will hopefully make things clearer for you here too).

#### Twitter

Tiger Club is also now on Twitter, so please follow us and check out the exciting things that are going on in the club **@KibTigerClub!**

#### Parking

**Please can I remind parents not to park in the car park when dropping off/picking up from Tiger Club. This is due to insufficient space as well as minimising the traffic flow and keeping children safe.**

I hope this answers your questions and if there is anything else then please feel free to contact me on the details below.

Kind regards
