Find and copy...  What does the word... tell you about...?  How has the writer made you feel?  Highlight a key word – what effect has the author created?  What other word/phrase could the author have used to mean...?  How does the author create...?	Which part of the story best describes the setting?  Where does the story take place?  When did the story take place?  Who are the main characters in the book?  What do you think is happening here?  What might this mean?	Can you summarise the story in...words?  Sort the information in these paragraphs? Do any of them deal with the same information?  Which is the most important information in these paragraphs?  What has happened so far? What is the main idea?	What makes you think...?  How do you know...?  Can you find the evidence to explain how... feels?  Can you explain why/who/what/where etc...?  I wonder what the writer intended...?	Do you know of any authors who have written a (insert genre) book?  What do you think might happen based on the front cover/first sentence/chapter headings?  Which story has a similar setting/character...how does it end? Do you think this will be similar? Why? Why not?	What clues are given to make the reader aware that the character is loved/funny/hated/angry etc?  What is similar/different about?  Why is ... important in the story?  Why do you think the author chose to use a question/bullet/subheading/table etc to present the information?  Where does it tell you that...?  Who do you think this information is for?	Find two or three ways that the writer tells you...  What does this...tell you about the character/setting/mood etc?  Highlight a key word... by writing a line in this way, what effect has the author created?  The writer uses words like...to describe...what does this tell you about...?  What do you think the writer meant by ...?  Which words do you think are the most important? Why?	How is it similar to...?  How is it different to...?  Is it as good as...?  Which is better and why?  Compare and contrast different character/settings/themes in the text?  What do you think about the way the information is organised in different parts of the text? Is there a reason for why this has been done?
