Christian Value: Joy

Worship Theme: The fruit of the Spirit is joy against this there is no law. (Galatians 5:22)

What a great end to our second week back. It has been a real delight to see all the amazing ways children came in today showing their support for comic relief.

A Big thank you to Mr Narborough and the School

Council for organising the event and doing such a brilliant and thoughtful worship, which really showed us why it is such an important charity to support. Thank you.

A huge Shout Out for Scarlett in 6H too! She didn't make a sound yesterday and has raised the amazing total of £155 for Comic Relief. Well done Scarlett! We are so proud of you! Well done.

Have a fantastic weekend. Thank you

We would like to say a huge

THANK YOU

for your generosity and all the laughs today! We have had a great, fun day and so far we have raised an amazing **£452!**

It's not too late to make a donation on our

Just Giving page [HERE](#)

COMIC RELIEF

Every day your child spends in school really matters.

This week's attendance superstars are:

FSM 99%

1H 100%

4W 100%

TTRS Comic Relief Competition

As part of our support for Comic Relief this week the children in Y3, 4 and 5 have been taking part in the Times Tables Rock Stars 'Rock Down Relief. Children have been encouraged to raise the class average of correct answers. TTRS are making a donation to Comic Relief for each red nose the children earn.

Our runaway school winners were **4W** so a massive well done to them!

Reading Raffle

This week's winner is

Ella in 4W

Use of Lateral Flow Tests

We have been asked by the LA to clarify that LFT are only to be used for **regular testing where no one is suspected of having Covid-19**. The purpose of these tests is to spot cases in the community that we wouldn't otherwise have known about.

Families should not use these tests on themselves or their children if they have symptoms. **A PCR test at a national testing centre must be booked where infection is suspected.** A lateral flow test could fail to spot someone who is just developing an infection but a PCR test will not. Having symptoms, getting a negative LFT result and assuming you are virus free could result in you spreading the virus to others.

Make time to Laugh!

HUMOUR

With Comic Relief this Friday, it might be timely to remember that laughter is often called the best medicine.

Laughing can trigger positive changes in both the body and mind. Humour can lighten your burdens, inspire hope and build connections and positive relationships with others.

PE Stars

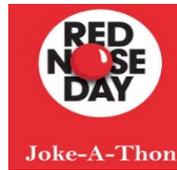

Children will be awarded a Sport Card for demonstrating sport values such as fair play, resilience, respect, sportsmanship, teamwork and inclusion. The PE teachers will be awarding children for these skills.

This week's winners were:

Mia 5B
Harriet FSM

Comic Relief - Jokeathon

To celebrate Red Nose Day this year, we all wore red and had a 'Jokeathon' in school. The message of this year is 'Funny is Power', and how laughter makes everything feel better even in the hardest of times.

3B

Why do you have to go to bed?

Because the bed won't come to you.

6C

Why can't you have a football team full of chickens?

There's be too many fowls.

1H

Sam said he needed to take in a joke for today, so he chose this one:

What has a spiked tail, armour plates and 8 wheels?

A stegosaurus on roller skates!

4H

How do you make a tissue dance?

You put a little boogie in it

What does a house wear?

A dress

6H

Doctor, Doctor I feel like a bridge.

What's come over you?

1 lorry, 2 cars and 3 bicycles

4N

What do you call Santa in a bath?

St knicker-less

Where do frogs hang their coats?

In the croak room!

Bounceback Wellbeing

This week, all children have continued with their Bounce Back lessons to focus on wellbeing.

The children have continued their learning about 'Getting Back on Track' and across the school children have reflected on the sessions they did last week. They have built on their learning about feelings and discussed the things they can control and the things they cannot control. In EYFS, the children have discussed how they need to give each other space and respect personal space as well as discussing their feelings. In KS1 the children have been discussing feelings and friendship and what makes a good friend / how to be a good friend. In KS2, children have been learning about empathy and understanding how things might be different for others. Many children have explored the idea of having a 'guardian angel' and also how they can show random acts of kindness. Across the school, there have been some really positive discussions and lots of opportunities for talk and sharing their views.

Do you know a landscaper?

Our Peace Garden is in desperate need of an overhaul. Despite having some money to spend on this project, we are struggling to find a landscaper with a gap in their schedule.

If you know anyone suitable please contact the school office

Develop Vocab Daily

Lots of research identifies that with a wide and varied vocabulary is a large factor in academic achievement.

This brilliant book helps to build vocabulary for 4–8 year olds. It has a double page spread for every week of the year, with 7 new words and pictures to accompany it for children to understand a new meaning.

Year 6 and Year 10 - Writing Together Virtually

This week year 6 pupils and some year 10 children from The Kibworth School met virtually to discuss and develop a 'Creative Writing initiative'.

Year 10 pupils hosted a meeting sharing and discussing a range of writing techniques and focuses with our year 6 children. The aim of this initiative is to develop the year 6 children's love of writing as well as improving their writing skills and creativity, giving them an opportunity to be creative in what they want to write and how they wish to present it. Not only this, it will enable our children to develop their communication skills through correspondence with The Kibworth School.

Over the coming week, children will begin their Creative Writing initiative, working alongside the year 10's, researching and discussing their understanding of the Easter Festival.

These Creative Writing pieces will be judged by the year 10's with some exciting prizes up for grabs! Thanks to Mr Blampied for organising this exciting opportunity for the two schools to work together
