

## School Newsletter

4th September 2020

Issue: 1

Christian Value: Hope Learning Behaviour: Ambition Worship Theme: Learning from Jesus the teacher

Wow! What an amazing start to this extraordinary term! It has been fantastic to see all the children back at school and sharing their experiences. I am absolutely in awe of the ability of the young to adapt to change and do their best despite what has been thrown at them over the last 5 months. We are very aware at school that the children may have missed out on learning and socialising but we also recognise that many children have had once in a lifetime chances to spend extended time with their family and develop knowledge and understanding of a wealth of subjects.

It has just been wonderful to celebrate their joy at being back at school. I think they feel very secure in their 'Bubbles' and I have been very impressed with their understanding and willingness to follow the guidance we have put in place to make our school as Covid secure as possible.

Over the lockdown period I have learned that as a person I am able to be resilient and adaptable to change. I have learned to treasure the support network of family and friends I have around me. This week I have again realised how important - and how valuable - the support network I have in school is. Teachers, colleagues and parents have all worked together to get the school back on track and doing what it does best - enabling everyone of your amazing children to thrive. Your support has been fantastic. Thank you!

### Discovery Live

On Wednesday 9<sup>th</sup> September, two Ex Kibworth Primary Headteachers will be hosting the first of a series of LIVE broadcast events for parents to hear more about the work of the Trust. This first session will be hosted by Paul Stone and David

Briggs and will focus on the curriculum for the year ahead. The session will be interactive and parents will have the opportunity to ask questions using a live chat feature. Hosted through TEAMS, the event will run from 7.00pm-8.00pm. Please contact the office if you have not received a letter with the joining instructions.

### Water Bottle Hygiene

We encourage children to bring in their own water bottle from home which will be kept on their desk. Please try to provide a bottle that is large enough to last all day without being refilled if possible to minimise risks of contamination and make sure that it is clearly named. Good hygiene including daily washing is essential. Public Health has issued the following advice for schools;

- Water bottles should not be shared
- Ideally bottles should be clear plastic
- Water bottles should be washed daily in warm soapy water, rinsed, and left to air dry upside down
- Nozzles of a sports cap should be opened and flushed through during cleaning
- Bottles can also be washed in a dishwasher, with bottle and cap separated

# KIBWORTH GET ACTIVE DAY

Sunday 6th September

Kibworth Parish Councils have arranged for a Kibworth Get Active day this Sunday. It is taking place at the Warwick Road Rec and looks like a great event. Activities are available for all children and adults from 4 years old and the sessions have a booking fee of just 1p each. This event is open to non residents too!

More information is available at 07733 156764/07800 806132

Take a look and Get Active!

Happy Birthday!

Foundation

Hannah, Elsie and Shanaya

## Help Leicestershire Libraries write a Super Silly Summer Joke Book!

To celebrate this year's digital Silly Squad Summer Reading Challenge, we're on the hunt to find the silliest jokes in Leicestershire and we need your help!

**Anyone aged 12 and under can take part!** Please send us your silly jokes and drawings by 30 September and we'll publish our favourites in a special super silly eBook that will be available for library members to borrow free from our [Borrowbox](#) at the end of the summer!

Visit the Leicestershire Libraries Website [HERE](#) for more details.

Thank you all so much for following the one way system. Your willingness to be flexible has meant we have been able to put in place an effective system. We have had lots of great feedback which we really appreciate. Please remember that if your child is in Year 6 and you wish them to walk home unaccompanied you need to inform the office.

## Puppy Love!

Many of the children have told us about the new pets they have had in lockdown and we have been delighted to watch a whole group of puppies socialising in the park. We would love to have a gallery section in our newsletter so please do mail any pictures of your new pets to the office. Thank you for respecting everyone's needs and not bringing any dogs onto the school property.

## Secondary School Place Applications September 2021

All pupils making the transition to Secondary school next year need to apply for places at their chosen schools as there is no automatic entry for any school.

Apply online and on time - applying online is secure and is the quickest and easiest way to apply. [CLICK HERE](#)

The closing date for applications is 31 October 2020.

**Please note: if you haven't used the portal before or for more than 12 months, you will need to register.**

## Y6 Open Day

The Kibworth SCHOOL

Open Day Site Tour

of The Kibworth School

Saturday 19th September 2020

First tour at 09.00am, and slots until last tour at 12.00pm

If you are interested in having a site tour of The Kibworth School, please email [openday2020@thekibworthschool.org](mailto:openday2020@thekibworthschool.org) with your details, and you will be allocated an appointment time.

If parents/carers are not able to attend a tour, they can watch a video tour via the school's website.

PLEASE NOTE: Due to current restrictions, you must be booked on a tour to attend.
