

The end of the school year is always one of the most emotional occasions in the school calendar. Saying farewell to the 2019 school leavers proved to be no exception. They really have been a brilliant year group. Although we are incredibly sad to be saying goodbye to pupils who have been with us since their Foundation days, there are some fantastic opportunities that lay ahead at all their different secondary schools. They are ready for the challenge!

It has also been a very emotional time for the whole staff as we have said goodbye to Mrs Wright – she really is a legend at school and each and every one of us has learnt from her. All the staff hold her in huge esteem and we have many memories of happy stories, inspirational achievements and some very funny moments. We know she will enjoy every second of her retirement.

At the leavers service it was fantastic to see how much our children have enjoyed the broad and balanced curriculum we offer. I really do think we have amazing staff who always put in extra to make sure all the children have the best possible opportunities. We are very proud that the Year 6 have achieved so well in their SATs. Their combined results were 26% above the National standard.

Thank you everyone for your amazing support in my first year as headteacher at Kibworth Primary is such a special place to work.

**Happy Holidays Everyone!**

Children are awarded House Points for effort, achievement and kindness to others. This year's points winners are

**Welton = 1319**

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This year **1H** and **3AB** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

**6S with 100%**

## Reminders for the New School Year

- All our cloakrooms are small, if you are buying a new school bag please make sure it is as small as possible.
- Please make sure that school shoes are plain black with not other visible colours, labels or logos. Canvas shoes, plimsolls, trainers, boots are not permitted

Thank you to everyone who has supported the KPA this year. Grateful thanks to parents for donations and support throughout the year, teachers for helping out at events, office staff for their support and finally to all the wonderful volunteers who give up their time to make the fundraising events happen.

Total amount raised £6150 and £6069 was spent on playground markings, year 6 leavers disco and ice pops for the sports day. Thank you in especially to Olivia, Kirsty and Kathryn

On Friday 5th July our children attended the DSAT tennis competitions held at Mowmacre Hill Primary School. We have some very talented players who clearly dominated the whole event. They also showed great sportsmanship and respect towards their opponents adjusting levels of play appropriately yet still controlling the game.

Congratulations to Ethan for winning the competition and to Rory for 2nd place.

It was the last competition of a very successful year. Kibworth Primary School children took part in 44 different sporting events. Our athletes progressed to the County finals in five different sports: gymnastics, basketball, cross country, football and hockey. We are very proud of all of them.

Well done.

Mr Kostecki
