

## School Newsletter

24th May 2019

Issue: 27

Christian Value: Hope   Learning Behaviour: Pride   Worship Theme: God's Wisdom

We have had a very busy week with lots of visitors. On Monday we welcomed members of the Rotary Club of Market Harborough. Mr Les Dodd presented the Rotary Science Shield to our team of Year 4 and 5 children. Mr Dodd told us that no school had ever retained the shield so we are going to try extra hard next year.

Mr John Tillotsen, one of the trustees of the Betty Ward Charitable Trust, presented a cheque for £3000 to be spent on new furniture and books for our library. Mr Tillotsen told us about Miss Ward and her memories of school. The children were really excited to have the opportunity to help Mrs Champion, our librarian, to select new books. Top of the list at the moment are books by Jeffrey Brown, Tony Ross and David Walliams. The children would also like more joke books, books about dogs and books to support the Y3 Predator topic.

On Tuesday Tom Sharp, Leicestershire road safety officer came to talk to the children about Active Travel which aims to increase the number of children travelling to school by walking, cycling and scooting. He explained how actively travelling to school has many benefits keeping us fit and healthy, and increasing concentration levels in class as well as helping us to develop road safety skills and above all have fun! He was very impressed with the success of our walk to school week and especially Joseph's flippers! Thank you so much to all of you who joined in with Happy Shoesday and made a donation to Living Streets. We raised £250.

Children are awarded House Points for effort, achievement and kindness to others. This week's points totals are

**Welton = 1606**  
**Morrison = 1247**  
**Wilfrid = 1355**  
**Ireland = 1458**

At KPS we believe that good manners are essential and the teaching of these is at the centre of our curriculum. This week **1H**, **1L** and **5P** have been recognised as having the best manners in school.

Every day your child spends in school really matters. This week's attendance superstars are:

**FSM with 100%**

On Tuesday Revd Fremmer from St Wilfrids Church came to talk to all the children in Years 4 and 5 about 'Thy Kingdom Come'. He invited us to pray as a global Christian community for more people to come to know Jesus Christ.

He gave all the children a 'Family Prayer Adventure Map' and a set of stickers. More information can be found by clicking here: <https://www.thykingdomcome.global>. Thy Kingdom Come begins on Ascension Day and continues until Pentecost. This year it is Thursday 30th May – Sunday 9th June. When we return to school after half term the children in Years 2 and 3 will have the chance to visit St Wilfrids as part of our 'Prayer Spaces Initiative'. We look forward to hearing how the children enjoy their activities and sharing their ideas for prayer.

## Weekly Reminder

- ⇒ Term re-starts on Monday 3rd June. After school clubs also re-start on this date.
- ⇒ If your child has long hair please can you ensure that it is tied up for school.

In our "wriggle & crawl" topic this week, I made a minibeast hotel with a team.

It has been really fun making it because I think this is my talent. We used a cardboard box, lots of twirly sticks and flowers.

I did it on the field near year 3 and we are going to show them to year 4. It was fun!

Our Year 5/6 netball players entered 2 teams at the DSAT netball tournament last Friday. We had a tricky start playing some well drilled teams, however all of our girls and boys didn't give up and they really enjoyed themselves. Our first team came 3rd, winning a small trophy, and our second team came 6th.

There was a special mention to Joe and Rani, taking away a medal each for showing fantastic sportsmanship. Well done to all who attended!

**Miss Lenton**

Yesterday some Year 5 and 6 girls participated in a football tournament at Market Harborough Football Club. Despite the heat, the girls worked tirelessly and played some excellent football. Overall, we came 3rd in our group winning one match (1-0) drawing one match (0-0) and losing 2 matches (2-1 and 1-0). Heidi was our top goal scorer, scoring both of our goals! It was excellent to see how much the girls have improved since our last match - they are a real credit to Kibworth. Thank you to all parents who came to support the girls.

**Miss Cornish**

Well done to all the children who took part in "Walk to school week". It was great to see children learning about the benefits of active travel.

Congratulations to 2P (KS1) and 5P (KS2) with the highest percentage of children walking to school this week.

A huge thank you to all the parents and carers for helping to raise £385.00 at the KPA movie night.

Also, to all the teachers that assisted. Your help is very much appreciated.

### Job Vacancy

We are looking for a new Premises Officer to join our team. Duties will include opening and closing the school; providing basic building and grounds maintenance; managing the cleaning team; controlling maintenance schedules; keeping the site safe and liaising with contractors.

This is an exciting opportunity for someone who is willing to get involved in school life and play a major supportive role in the maintenance of the school and its grounds.

If you, or anyone you know, might be interested please phone Chloe Weston in the school office. The closing date for applications is 7th June 2019.
