

## School Newsletter

30th October 2020

Issue: 8

Christian Value: Hope Learning Behaviour: Care Worship Theme: Helping those in Need

Following a few initial technical hitches I think Parents meetings have been a real success. We have had so much positive feedback that I think we will try to offer online appointments alongside face to face meetings in the future.

Please can I ask everyone to remember to come to school in the time slot they have been allocated. It is very hard to social distance the children for handwashing and cloakroom time when so many are coming at the earlier times.

Reading the government advice on staying safe in the pandemic it is clear that ventilation is vitally important. We will have windows and doors open in all classrooms but will also have our heating on. As the temperature is dropping we recommend that everyone wears extra layers, such as vests, tights under trousers, thick socks etc. You might also want to consider a 'cold weather kit' for your child—A warm hoodie or fleece, Fingerless gloves, A warm hat, A small fleece blanket to put over knees.

I hope you all have a lovely weekend and stay safe.

*Every day your child spends in school really matters.*

*This week's attendance superstars are:*

**Ladybirds with 99%**  
**2KM with 99%**  
**5B with 100%**

### Discovery Live

'How children learn and how you can help them'

Wednesday 18<sup>th</sup> November 2020

7.00pm-8.00pm

The next Discovery Live event has been scheduled as an opportunity to hear directly from our Director of Primary Education, David Briggs and Emma Turner, Research Lead as they discuss and explain 'How children learn and how you can help them'. The sessions will consist of both a presentation led by Emma Turner and David Briggs followed by a Q&A for parents.

These events have proved hugely popular and if you would like to join this event please follow this [LINK](#)

### PE Kits

All PE lessons taking place at the moment are outdoors so we have not been insisting on children wearing the regulation kit. Please make sure that your child wears appropriate, warm and comfortable sports wear and trainers - which may get muddy! We do go out in light rain so a suitable coat or waterproof is very useful.

### School Photographs

Due to the current 'bubble' arrangements operating within school we have had to postpone Braiswick Photography's visit in November. We know that this will be disappointing news for you but we are hopeful that we can re-schedule for some-time during the 2021 Spring term.

### Flu Immunisation

The nurses will be visiting the school on

**FRIDAY 13<sup>th</sup> NOVEMBER 2020**

If you would like your child/children to receive the nasal flu vaccination please complete the online consent form via the link below.

The school code is LE138358

<https://www.leicsandrutlandimms.co.uk/Forms/Flu>

### Calling all sewing stars

This year to celebrate Advent we are going to tell the story through the Jesse Tree. We are hoping that all the classes will be able to join together by adding a decoration to their tree every day.

If you could possibly help us by sewing a set of felt baubles—we have all the materials—we would be really grateful.

Please mail the office if you—or a kind friend or relative can help us.

## Year 1—Is it an Alien?

CRASH! What's that at the front of Kibworth C of E? Let's go outside and take a look.

Stand back everyone - it looks like a UFO has crash-landed!

Year 1 had to be scientists this week and investigate the crash landing that happened right outside school! There was green slime, a keyboard, metal and something very shiny. We brought back some of the different materials and the children had to describe what the materials felt and looked like and if they were a hard or soft material. We had a great time and are glad the mess was cleared up quickly!

This week Kibworth Creatives would like to congratulate the following pupils for "shining their light"

**Congratulations to ...**

**Mya, Ethan, Gabrielle, Zoe, Joe, Evelyn, Bethany, Jacob and Melissa.**

Below are some links to the apps that we have explored in the music technology sessions.

They are free to use and download for any apple ipad or phone / some are also available on android:

PSP Bells - <https://apps.apple.com/us/app/psp-bells-kids-instrument-app/id1201960274>
