

If you are not joining us back in school, here are a list of websites that you could use to continue your learning. This can be completed independently and you do not need to let your teacher know what you have done.

## Maths

- Nrich - <https://nrich.maths.org/>  
On Nrich you can find a range of problem solving and reasoning problems linked to different areas of maths
- Century – <https://www.century.tech/>  
On Century you can continue to follow your own learning paths or search for specific nuggets in areas you are less confident with
- White Rose – <https://whiterosemaths.com/homelearning/year-6/>  
On here there is a 12 week learning programme for the summer term which includes video lessons and follow up lessons
- BBC Bitesize - <https://www.bbc.co.uk/bitesize/subjects/z826n39>  
On here you can find daily maths lessons linked to different areas
- Hamilton Trust - <https://www.hamilton-trust.org.uk/maths/year-6-maths/puzzles-and-problems/#unit-1>  
On this website, you can find different puzzles and problems to solve linked to maths
- Hamilton Trust - <https://www.hamilton-trust.org.uk/maths/year-6-maths/>  
On this link, you will find resources which might help you recap areas of maths that you are less confident or secure with
- Times Tables Rockstars - <https://trockstars.com/>  
Practise your times tables to become a times tables Rockstar!

## Literacy

- Independent reading  
You should still be reading 15 minutes a day to keep up your fluency
- Reading Century <https://www.century.tech/>  
If you click on your courses, then you can access KS2 reading to practise
- Grammar Century <https://www.century.tech/>  
You can still access grammar on Century to practise
- Hamilton Trust - <https://www.hamilton-trust.org.uk/english/year-6-english/>  
On this link, there are ideas about writing that you could do to reflect on lockdown and high school
- Literacy Shed - <https://www.literacyshed.com/home.html>  
On here are a variety of videos which you could use as a stimulus to do some writing. It might be to rewrite the story; continue the story making a prediction; or write a setting description.
- Curve Bedtime Stories - <https://www.curveonline.co.uk/bedtime-stories/>  
Listen to actors reading parts of children's stories

## Topic

- Century <https://www.century.tech/>  
If you click on your courses, you can access Year 6 Science to practise

- BBC Bitesize <https://www.bbc.co.uk/bitesize/levels/zbr9wmn>  
On BBC Bitesize you can access lessons for science, history, geography, music and much much more
- Hamilton Trust - <https://www.hamilton-trust.org.uk/science/year-6-science/crime-lab-investigation/>  
On this site, you can access lesson and investigations linked to our current science topic: light
- Michael Wood Story of England – [https://www.youtube.com/watch?v=V\\_pFSNmSveg](https://www.youtube.com/watch?v=V_pFSNmSveg)  
Our topic in school will be looking at the history of our village. What can you find out from Michael Wood's series?
